THE DECADENT DEMOCRACY

The Party as Now Represented at Washington Might as Well Pass Out of Existence, Says Roger Q. Mills

Austin, Texas, June 13.—Roger Q. Mills, who served for many years as one of Texas' representatives in the United States Senate and the lower house of Congress and was the author of the Mills Tariff bill has lost faith in the Democratic party, in a letter written at his dictation to a political friend in San Antonio, Mr. Mills says:

"The present exhibition, which is being made in the United States by senators calling themselves Democrats and assuming to read out of the party, all those, who do not bear the mark of their approval is shameful. In fact it is a difficult matter in these degenerate later days for a real Democrat of old school, and for one, who had confidence and belonged to the party, for sake of the principles, which it represented, to have any idea at all, what a Democrat is."

"The party, as now represented at Washington, might as well pass out of existence, for it has survived its usefulness, and only serves now to make a humiliating spectacle to make honest Democrats hang their heads in shame. I think men, who think like we do would rather see the party die than to see it further prostituted to serve the uses of the base men who now seem to control it."

FOR RENT—Four room house and summer kitchen in good repair, good location, garden. Apply to Dr. Thomas Oving, Montgomery City, Mo.

Berger-Hendricks Wedding

Married in Montgomery City by Rev. W. A. Melan, Mr. Morgan Berger and Miss Mollie Hendricks both of near Buell. Mr. Berger is a sober and industrious young man, while Mrs. Berger is one of the most handsome as well as industrious young ladies of that community. They were tendered a reception at the home of the bride on June 13, with quite a number of their relatives and friends present. They will go to housekeeping in Buell immediately, where Mr. Berger, has employment with Hensley Bros. We extend to them our most sincere well wishes and hope they may have a long and prosperous journey over life's sea. The attendants at the wedding were Mr. Wm. Singleton and Miss Flora Maupin, who we understand are to be married in a short time.

Revival Services at Williamsburg

Special revival services will begin in the Methodist church at Williamsburg Thursday June 17 at 8 p. m. In these meetings the pastor will be assisted by Conference Evangelist, Rev. R. F. Campbell. The people in general are invited to attend and help in these meetings. Rev. Campbell has had a very successful career as an evangelist. He is capable, consecrated preacher. The entire community is invited to attend upon his ministry at this time and contribute of their sympathy and help to make the meetings a great blessing to the community.

J. S. SENEKER, Pastor.

Montgomery Boys Win Prizes

At the recent commencement at Central College, Fayette, Mo., Joseph Dyson of Montgomery City won the Joseph C. Hendrix scholarship, worth \$125. on his college expenses at Central next year. This same scholarship was won last year by Evered Whitehead of this city. This means that the scholarship has come to Montgomery City, two years in succession. This is certainly a great compliment to these young men and to the work of Montgomery City High School, of which they are both graduates. Our High School is second to none in the State, in a town the size of Montgomery City.

BIG SADDLE HORSE STAKE

New Bloomfield County Fair Offers \$600.00—Purse of \$300.00 for Best Harness Horse

The second annual Callaway County Fair at New Bloomfield, Aug. 31 and September 1 and 2 will have as its largest premium a purse of \$600.00 for the best saddle horse, mare or gelding. The stake is one of the largest offered in Missouri and is expected not only to bring out the best in Callaway and adjoining counties but some of the States most famous show horses.

But saddle horses will not be allowed to monopolize interest at the fair, a premium of \$300. being offered for the best harness horse, mare or gelding. Nine hundred dollars for two arena events seems a large offering for a county fair, but the directors of the Callaway association are determined to have show rings filled with the very best and so they are offering inducements to owners that they believe cannot be resisted.

Then a premium of \$100. for the best mule, any age will bring out the best in the "Kingdom," celebrated as the banner mule county of the world, while a premium of \$150. for the best herd of cattle, consisting of a bull and four cows will appeal to cattle men and arouse competition between the fanciers of the white-faces, red-whites-and-rosans and blacks.

These four premiums will be the drawing cards of the fair, though the full line of premiums will be offered in all the live stock divisions. Premiums have been offered this year for draft horses, while the mule premiums have been increased. The program has been completed and those interested are authority for the statement, that it has been made as complete as possible, and promise that it will contain something to interest everyone.—Fulton Gazette.

Special prices on Refrigerators next Monday in order to make room for a car load of goods at the St. Louis Furniture Store.

Montgomery has won five games straight and wants to win Sunday. Covingtons of St. Louis are the victims.

Free Cadet-Ship.

Dear Editor:—In 1899 the Military Department of the State University was created the Missouri State Military School. Each member of the General Assembly was given power of appointing cadets from his county, and the cadets thus appointed are matriculated in the College of Arts and Science, and the College of Agriculture free from tuition and incidental fees. This with a free suit of uniform means a saving, and is quite an aid to any student.

I have vacancies to fill from this county and will fill them in the order of their application, without regard to politics. First come first served. Applicants desiring this appointment must be a graduate of a good high school, academy or college. Otherwise they cannot meet the entrance requirements of the University. The vacancies must be filled on or before Aug. 1st. I would like to see the University well represented from Montgomery County, and hope that a sufficient number will make application for these cadet-ships, so that I will be able to fill all vacancies.

I will be glad to give any further information to those interested. Truly yours, E. P. ROSENBERGER.

Teachers Examination.

The next teachers examination will be held at Wellsville June 25 and 26. Respectfully, W. F. HURF, Com.

Douglas of Wellsville has been signed to catch for Montgomery this season. Don't miss the game next Sunday.
